## Annual Report

For the year that just ended (July 1-June 30), indicate objectives met, activities completed, and funds used.

We had as an objective to begin work on a working position paper on families. Very little progress, however, on that front. Additionally we had hoped to start efforts toward a school to work transition guide/roadmap for families, which is still in progress.

## Annual Plan: Goals, Objectives, Activities, and Strategies

For the coming year (July 1-June 30), describe the planned objectives, activities, and proposed expenditure of funds.

- 1) Follow up and completion of the two afore mentioned objectives.
- 2) To collaborate with another Interest Network, possibly social work, to present a conference session on family life course issues with a particular emphasis on aging family caregivers.
